

Start of the Academic Year: September 2021

This information was shared with families in the Families Update of 20th August 2021

In order to facilitate Lateral Flow Testing for the start of the new academic year, we have arranged a staggered start.

The table below sets out when each year group should attend for their lateral flow test. **Year 7 pupils, Year 10 pupils and Year 11 pupils** should attend school for their Lateral Flow Test on the INSET Day, Monday 6th September 2021 (as set out below). They should return home after their test. These pupils will then attend school as normal on Tuesday 7th September 2021.

Year 8 pupils and Sixth Form students should attend school for their Lateral Flow Test on **Tuesday 7th September 2021** (as set out below) after their Lateral Flow Test they will continue their school day.

Year 9 pupils should attend school for their Lateral Flow Test on the **afternoon of Tuesday 7th September 2021** (as set out below) after their Lateral Flow Test they should return home. **The first school day for Year 9 pupils will be Wednesday 8th September 2021.**

Pupils should attend in **full school uniform**. Pupils should arrive and leave the school site via the Fox & Hounds entrance. If the test result is positive parents/carers will be informed by telephone.

Parental Consent for Lateral Flow Test: If parents/carers completed the Lateral Flow Consent Form for the March round of testing, there is **no requirement to complete the form again**. However, for any pupils new to St Cuthbert's this year (Year 7) parents/carers should complete the **consent form**. If you do not consent, please complete the form anyway, so that we have a response for every pupil/student. You can find the consent form [here](#).

The second test required will be organised later in the week during the school day.

Planners & Starter Packs

For any pupil who was unable to purchase / collect his planner / starter pack during the Uniform Sales, these will also be available in the Sports Hall when you attend for your Lateral Flow Test.
