

Dear Parent / Carer

## Year 6 Open Evening

Thank you for your interest in St Cuthbert's Catholic High School. This year in response to the coronavirus pandemic and ongoing concerns about large gatherings, we have decided to adopt a more personalised approach to our Year 6 Open Evening. We will not be holding a traditional one-off event. Instead, we are offering families a more personalised approach.

From **Monday 27th September until 22<sup>nd</sup> October 2021**, we will be offering Year 6 families the opportunity to book a personalised visit to the school. During this visit, you will be able to see the school with your son as part of a small group. You will be guided around the school by a senior member of staff and a few of our current pupils. You will be able to visit lessons, ask questions and find out about the school. This way we will be able to tailor your visit to the questions that you and/or your son may have. You may have questions about the Catholic Life of the School, Pastoral Care, academic achievement, Special Educational Needs and/or Disabilities or sports, music, and co-curricular activities. A personalised visit will give you the opportunity to focus more effectively than during a larger gathering.
